Live Like That: Love, Feed, Serve

Love, Feed, Serve is not slogan; it is mission, it is purpose, and it is identity. St. Philip is an active community of faith, compelled by God's grand gift of love to share that same love with others. St. Philip Church Council has been reflecting upon who we are as congregation and community at this particular moment of time. In our conversations, what surfaced over and over again is that we are people who are shaped by God's love in a way that changes how we live. We see God's love epitomized in the life, death, and resurrection of Jesus and are called to live as Jesus would have us live – to Live Like That.

AND, as conversation continued; equally clear is that our living together at St. Philip is lived out as we love, feed, and serve neighbors near and far.

SO, St. Philip Council proudly announces a tag line, including a new logo that we hope gives direction and inspiration to our discipleship and faith in the coming months. As the weeks unfold, keep thinking about how it is that you Live Like That, share stories as to how God's love is shared in your own experience, be active in serving so that a hungry world might be fed with the good news of a resurrected Christ.

We Live Like That Everywhere We Go

Tag. You're it! We want to *Live Like That* in our worship, through our shared ministry at St. Philip, and in our daily living. Be sure to share your stories of how you *Live Like That: Love, Feed, Serve* by jotting down on the back of one of our Live Like That tags your experiences. Then hang your tag on the cross in the gathering space (narthex) as a sign of the multiple ways we live out the faith together.

Disciples On The Move – Live Like That mobile

Because our lives of faith are lives of faith everywhere we go, boldly proclaim that you are connected to the community of faith at St. Philip. Boldly proclaim that you joyfully live out your faith. St. Francis once said, "Preach the gospel at all times. Use words when necessary." You are invited to at least start some of those conversations by putting a St. Philip Live Like That window cling on the back of your car.

A New Website To Go With The New Logo And Tagline

The St. Philip website <http://stphiliplutheran.net> has gotten a facelift to accompany our new tag line, Live Like That, and logo. We hope the congregation will find the new website cleaner, more useful and easier to use.

The monthly newsletter and worship assistant list are available under the Congregational Life menu, and recent news about St. Philip's ministries and other activities should be easier to find. St. Philip is a dynamic, active church, and we hope the new website reflects that.

St. Philip is also on social media. Check out the Facebook page at www.facebook.com/stphiliplutheran and Twitter @StPhilipROA.
